Trucks as priced feature:

- 10" full pneumatic (air-inflated) tires with precision bearings
- Choose strong "solid" type 18" wide extruded aluminum nose or old cast style nose — same price!
- Free company/product name strips on sides (Many national brand logos in stock)
- Improved stronger frame — square tube cross bars, not "C" tubing with open bottom
- Heavy-duty axle brackets standard — made from tough, extruded aluminum instead of brittle die cast
- End caps standard on all trucks — helps protect cargo from tears or rips on corner of frame
- All parts interchangeable with other leading brands
- 2 year unconditional warranty — if you are not completely satisfied, return hand truck or part to MMH for repair, exchange or refund!

****Optional****

Heavy Duty Stair Climbers

\$32.00

Made from heavy-duty extruded aluminum, not brittle die cast used on other leading brands. Stair climbers come with a 1/2" thick wear strip that far outlasts the thin poly strips of other brands. Just one

look at this stair climber will convince you of its strength and superiority.
