

KEEPING IT COLD

REFRIGERANT PADS

Cold-Stuff™ Refrigerant Pads

New! From Modern Material Handling Co., Inc.

Unique technology absorbs and retains water, even after thawing. While frozen, pads remain flexible, allowing them to be wrapped around product in any manner. Pads keep cold longer than ice, and can be refrozen for repeat usage.

Simply soak pads in water for 10 minutes, freeze them, and wrap them around whatever product you wish to keep chilled.

Cut to size (in 4" increments) at any time.

- Environmentally friendly
- Remains flexible while frozen
- Reusable several times
- Lighter weight than gel packs
- No leaks or spills
- Easy to handle

Cold-Stuff pads are now IN STOCK and available in rolls 12" wide x 300' long.

Custom sizes available up to 48" wide. DON-4-Cold. **\$275.00**

STRIP CURTAIN MATERIAL MOUNTING KITS

The Max™

Time Saving Mounting System

477395 New Max
